MINIMUM SIZE AND CLEARSPACE

Clear space is designed to assist in maintaining the clarity and integrity of the Racing Victoria masterbrand. Clear space is the minimum surface area surrounding the masterbrand that must remain free of any other graphic element or text.

Wherever possible, maintain more clear space around the symbol than the minimum specified.

Minimum size specifications are provided to ensure the masterbrand is reproduced effectively at a small size. A width of 40mm (horizontal mark) and 18mm (vertical mark) has been determined as the minimum sizings at which the masterbrand reproduces effectively in general methods of production – i.e. print.

Horizontal Clear Space

Minimum Size
Width = 40mm

Vertical Clear Space

Minimum Size
Width = 18mm
